### **Purpose**

The Cranberry Genealogy Club is dedicated to assembling people who are interested in genealogy and in preserving family history.

Our goal is to provide programs and publications to help our members and others gain genealogical knowledge.

While we are located in Cranberry Township in Butler County, Pennsylvania, our members are researching ancestors all over the United States, Canada, and Europe.

### **Projects**

The club has several ongoing projects, including a pedigree chart and card file containing information from all members. One of our previous projects was the publication of a book with tombstone transcriptions from all of the cemeteries in Cranberry Township.

### **Meetings**

The club meets once a month except December. At our meetings we may have a speaker, a round table discussion, or go on a field trip. Please visit our web site, <http://www.cranberrygenealogy.org>, for the meeting schedule.

Our field trips have included the Western Reserve Historical Society and Library, the New Castle Public Library, Passavant House in Zelienople, PA, and the Carnegie Library of Pittsburgh.

### **Joining the Club**

Complete the attached application and return it to the Treasurer or mail it to the PO box along with payment for dues. Dues are \$10.00 per individual per year. The membership year is November 1 through October 31.
