About Us

The Cranberry Genealogy Club is dedicated to bringing together people who are interested in Genealogy and in preserving their family history. We provide programs and resources to help our members (and the public) to gain genealogical knowledge. We work with the Cranberry Public Library and Cranberry Historical Society to co-sponsor programs of interest to a broader audience.

We are located in Cranberry Township, Butler County, Pennsylvania - north of Pittsburgh. But our members research ancestors all over the United States, Canada, Europe, and all over the world!

Club Information and Membership Application

Club Activities

- ◆ Monthly Meetings.
- ◆ Co-sponsoring events with Cranberry Public Library and Cranberry Historical Society.
- ◆ Annual donation of a subscription to Family Tree Magazine to the Cranberry Library.
- ◆ Donations of books on genealogical topics to the Cranberry Library.

Cranberry Township Cemetery Book

Our club members located all of the known cemeteries in Cranberry Township, and read the headstones in each one. The inscriptions were then compiled and published as a book.

This soft-cover book is available for \$10 through our website or at a club meeting. We can ship the book to you for a small additional charge. Visit our website for an order form.

Meetings

At our meetings, you might see a formal presentation by an experienced genealogist, a webinar on the excellent projection screens in the meeting room, training on genealogy software or website use, round-table discussions of common genealogical problems with question & answer sessions, a field trip, or a joint event with the Library or Cranberry Historical Society.

Meetings are held monthly, on the fourth Wednesday, except November and December.

We meet in the Cranberry Public Library Franklin Station room, located in the Cranberry Township Municipal Center. Librarians can direct you to the room.

Our dues are a real bargain at \$10 per year. You are added to our mailing list, and will receive meeting announcements, reminders, and the previous months' minutes. We also occasionally send information on events at other genealogy and historical societies. The membership year is November 1 through October 31. Dues are collected at the October and January meetings.
